LARGE CRYSTAL STONES COLLECTION

Preciosa offers a new collection of carefully compiled assortment of large crystal stones* with a wide variety of applications. Our choice is based on the hottest fashion trends and demand of designers who are finding new ways how to bring and accent light and sparkle in their collections. A simple yet elegant large crystal stone never goes out of style. You will find Preciosa collection of large crystal stones highly inspiring for innovative and creative designs, be it in fashion jewellery or textile applications, accessories or lighting fixtures.

* Only chosen large sizes are presented in this brochure, the whole scale of sizes and assortment is available in the Preciosa complete catalogue.

Preciosa® GENUINE CZECH CRYSTAL™

► For centuries, Bohemia, a region of the Czech Republic, has been known for its crystal. It was here that the art of crystal cutting was perfected. Delicate elegance, captivating sparkle and exceptional brilliance are the distinctive characteristics that make Preciosa® GENUINE CZECH CRYSTAL™ an internationally recognized symbol of quality.

The Preciosa® GENUINE CZECH CRYSTAL™ trademark is a guarantee of the finest quality, 100% Czech-made product available only from Preciosa.

Environment

► Preciosa is the European company that believes in supporting the preservation of the environment. We strive to ensure safety for those who use our products. We enforce environmentally safe working conditions and utilize ecologically responsible technologies. The highest standards of quality and ecological certification are fully met by our lead-free MAXIMA by Preciosa® product line which contains less than 0,009% lead.
